This is a detailed architectural floor plan of a large building complex, possibly a school or institutional facility. The plan is divided into numerous rooms, corridors, and stairwells. Key features include:

- Rooms and Areas:** Many rooms are labeled with dimensions and area calculations. For example, a large room on the left has dimensions 105.41 x 15.8. Other rooms have dimensions like 105.41 x 70.0, 105.41 x 23.8, and 105.41 x 27.0.
- Corridors and Stairwells:** The plan shows a network of corridors and multiple stairwells, some of which are labeled with dimensions like 1.00, 1.50, and 2.00.
- Entrances and Exits:** There are several entrances and exits, some marked with arrows indicating the direction of flow.
